

TEACHER TRAINING IN OTTAWA

TRAINING PROGRAMS FOR INTERNATIONAL TEACHERS OF ENGLISH AND ENGLISH IMMERSION PROGRAMS

The Ottawa-Carleton District School Board and the Ottawa-Carleton Education Network offer numerous opportunities for teacher skill development through a variety of training programs. The department of International Projects and Exchanges operates a training centre that has successfully worked with over a thousand teachers worldwide.

About Our Programs

Teachers attend training sessions that are participatory and interactive. Workshops and presentations that are relevant to the field of content and language teaching and learning are led by specialists with emphasis placed on practical applications of best practices. Sessions include training, materials development, visits to relevant educational and cultural sites, assessment and evaluation, course planning, principles of language learning etc.

Teaching English Immersion – Methodology and Language Development for CLIL Programs
